Dear Medicare Provider/Supplier,

The Centers for Medicare & Medicaid Services (CMS) has retained Performant Recovery, Inc. (Performant) to carry out the Recovery Audit Contractor (RAC) program in Region (Select for Region 1) [1 which includes CT, IN, KY, MA, ME, MI, NH, NY, OH, RI, and VT] (Select for Region 2) [2 which includes AR, CO, IA, IL, KS, LA, MN, MO, MS, NE, NM, OK, TX, and WI] (Select for Region 5) [5 which is Nationwide]. The RAC program, is mandated by Congress, is aimed at identifying Medicare improper payments. Upon notification of identification of an improper payment, providers have the option to request a 'discussion' of the review determination.

This letter is to notify you that, after considering the additional information provided, a decision to uphold the original improper payment determination has been made. The claim will be sent to the applicable MAC for adjustment. A demand letter will follow identifying the overpayment amount, repayment options and appeal rights.

NOTE: If the improper payment is for services that are not medically reasonable and necessary per Medicare standards, and you collected the amount of the overpayment from the beneficiary, the beneficiary has the right to request payment from Medicare. Any such indemnification will be recovered from you.
