PERFORMANT RECOGNIZED AS A TOP HEALTHCARE ANALYTICS SOLUTION PROVIDER

LIVERMORE, Calif., February 23, 2022—Performant Financial Corporation (Nasdaq: PFMT), (the Company) a leading provider of technology-enabled payment integrity, eligibility, and related analytics services, is excited to announce the Company has been featured as a 2021 Top Healthcare Analytics Solution Provider by Healthcare Tech Outlook, a print and digital platform offering technology advice and insight into innovations within the healthcare industry.

The Healthcare Tech spotlight ([Performant: Reshaping Payment Integrity Audit with Technology \(healthcaretechoutlook.com\)](https://healthcaretechoutlook.com)) focuses on Performant's innovative approach to offering payment integrity solutions and the Company's ability to adapt to current trends quickly and efficiently, as well as to address the cost containment needs of payers of any size. As part of the Company's commitment to continue providing innovative solutions to customers, Performant is kicking off an annual Customer Advisory Board meeting in 2022 to engage our customers on industry topics and challenges currently impacting their business.

"This recognition by Healthcare Tech Outlook clearly validates Performant's dedication to providing healthcare payers with workable solutions to their payment integrity needs, driven by advanced technologies," stated GM and SVP, Healthcare, Simeon Kohl. "We believe collaboration is a critical component to solving healthcare's biggest challenges, and it's our hope that our annual Customer Advisory Board meeting will serve as a key strategy meeting and forum where we can come together to share ideas and problem solve as an industry."

Performant helps commercial healthcare and government payers enhance revenue and contain costs by identifying, preventing, and recovering waste, improper payments, and defaulted assets. Performant is a leading provider of these services in several markets, including Medicare, Medicaid, and commercial healthcare. Performant has been providing healthcare recovery audit services for more than a decade and works with leading national payers, regional payers, and Blues plans.

Powered by a proprietary analytics platform and workflow technology, Performant also provides professional services related to the recovery effort, including advanced reporting capabilities, support services, customer care, and stakeholder training programs meant to mitigate future instances of improper payments. Founded in 1976, Performant is headquartered in Livermore, California.
